

To Applicant for Rental:

We base our decision to rent to a prospective tenant solely upon the ability of the applicant to meet the rental payments.

Factors which are taken into consideration are:

1. Credit Reports from the Landlord/Tenant Credit Bureau or other credit reporting services.
2. Reliable source of income/employment history.
3. References: former landlords and other persons with whom prospective tenants have done business.

We will begin reviewing a prospective tenant's offer to lease an apartment only after we have received the completed application and the non-refundable application fee of \$25.00.

We do not hold apartments for prospective tenants. However, if any prospective tenant submits the completed application along with the fee for a particular apartment then this apartment will be held for this tenant until a decision is made on his/her application.
